Bookstore Updates

Beginning with the Summer 21 term, Fontbonne University will transition textbook and branded merchandise services to a new bookstore model where you order your textbooks through a website and then have them delivered to you either by mail for physical books or by email for digital courseware.

The new platform is designed to provide you with affordable course materials, convenience, and choice. Created in partnership with Akademos, Inc. and powered by TextbookX, the Online Bookstore simplifies the textbook ordering process for students and professors. Below are some essential Bookstore tips:

Where is the Fontbonne Online Bookstore? Visit it online at www.fontbonne.edu/bookstore. The website is not live yet, but you will be notified when it is live for Summer 21.

How it works: When you log in to the bookstore with your Fontbonne email credentials, you will see a personalized page of the courses you registered for plus the course materials that your professors have assigned to them. You can then select from the new, used, rental, and eBook options available. You can also select from Marketplace options, which are sold by students around the country and other third-party sellers at heavily discounted prices.

What's different? Students should order their books in advance of the start of classes both to ensure they have them in time for the first day of class and to take advantage of the lowest prices available.

Delivery: You can deliver your course materials to your home or to campus.

Campus store: The new Online Bookstore will sell merchandise like hats, clothing apparel and other branded items. In addition, it will sell course supplies like notebooks and calculators. Please note, textbooks will NOT be sold on campus any longer, so please plan ahead for the upcoming academic terms by reviewing and ordering the course materials you will need at the beginning of the semester.

Bookstore benefits for students:

- Log in to see a personalized page showing only the courses you're registered for and the corresponding course materials.
- Select from a variety of textbook formats including new, used, eBook, and rental.
- Shop from the Marketplace, where you can save an average of 60% off list price.
- Price match guarantee on new books.
- Choose from free delivery options for select orders over \$49 (not including Marketplace items).
- Post your old textbooks for sale on the website's Marketplace (you name the price).
- Branded merchandise like clothing, hats, and more.

Math and Computer Science Project Showcase

The Math and Computer Science Club will be hosting a project showcase on the second Monday of each month, starting March 8th, at 5:30 pm where students can come and show off any

Social Work Month!

Social Workers are Essential

This year's theme for Social Work Month is "Social Workers are Essential." Social workers are woven into the fabric of our community and society, although they are often unsung heroes. As our nation recovers from the COVID-19 pandemic, economic uncertainty, and racial unrest social workers are needed more than ever. Each day more than 700,000 social workers nationwide make life better for others through professional skills that empower, encourage, and inspire clients to overcome life's challenges. Social workers play a vital role in community organizations and local, state, and federal governments, helping create programs and policies that help make our society a better and more equitable place for all.

Mass: Join us for Sunday Mass each week at 7PM in the Doerr Chapel. Masks and Social Distancing are required.

Prayer during this Difficult Time: Holy One, I need You in this time of turmoil. I ask that You would grant me that peace that surpasses understanding. I need that kind of peace that rules over my mind and heart despite the fear I experience due to the pandemic and the intense social unrest. I know I cannot go through all of this on my own, and I know that with You, nothing is impossible. Always remind me that You are always there beside me, Holy One wherever I am and whatever comes my way.
