Save the Date: Carondelet Lecture on October 7th

Titled: "Labor of Love" A good deal of the work done to sustain human life is done in the home, yet it remains largely invisible. More interestingly, a contrast between 'household production' and 'market production' highlights what goes missing when we identify economic life entirely with the market. In this lecture, I will trace out the evolution of 'household production' over time and discuss how thinking more about household production could help us steer towards a more humane economy. More information to come soon!

LIVING OUR MISSION

Amongst these challenging times, we must continue to live our mission and serve thy dear neighbor.

Volunteer From Home: There are volunteer-from-home opportunities (such as reading newspapers for individuals who are visually-impaired, writing grants, creating websites, calling isolated senior citizens, etc.) which can be found at <https://www.stlvolunteer.org/volunteerfromhome>. The United Way continues to update this site as more organizations are offering virtual volunteer opportunities. If a Fontbonne Community member does not already have an STLvolunteer account, the attached document describes how to sign up!

Mass: Join us for Sunday Mass each week at 7PM in the Doerr Chapel. Masks and Social Distancing are required.

Prayer during this Difficult Time: Holy One, I need You in this time of turmoil. I ask that You would grant me that peace that surpasses understanding. I need that kind of peace that rules over my mind and heart despite the fear I experience due to the pandemic and the intense social unrest. I know I

cannot go through all of this on my own, and I know that with You, nothing is impossible. Always remind me that You are always there beside me, Holy One wherever I am and whatever comes my way.
