

**Motion to Modify a Program
Undergraduate Curriculum Committee
Fontbonne University**

Title of Motion: Removal of the *Athletic Conditioning* certificate program from the College of Global Business & Professional studies curriculum

Date Submitted: October 29, 2009

Submitted By: Steve Rankin, Director of Curriculum & Assessment, College of Global Business & Professional Studies

Department/College: College of Global Business & Professional Studies

Type of Program to Modify:

- Major
- Minor
- Concentration
- Certificate

It is moved that the College of Global Business & Professional Studies remove the *Athletic Conditioning* certificate program from the curriculum.

Proposed Date of Implementation: Immediately upon approval

Rationale/Evidence of Need: The Higher Learning Commission requires that certificate programs which have more than 50% of their coursework that is not a part of an existing degree program be approved separately by the Higher Learning Commission. This certificate program does not meet the 50% standard. We believe seeking separate accreditation is unnecessary given the fact that students have never enrolled in this certificate program.

Financial Impact (describe/list projected amounts):

- **Faculty:** n/a
- **New Library Holdings:** n/a
- **Equipment:** n/a
- **Audio-visual / software:** n/a

Effect on currently enrolled students: None

Does this modification affect another department/college? Yes **If yes, has this department/college approved of this modification?** Yes. Libby Rayhel, chair of the department of Biological and Physical Sciences, and Cheryl Houston, chair of the department of Human and Environmental Sciences, have both approved of this proposal (see attached email).

Does the proposed change affect a current major/concentration/minor? No

Course Listings for Program to be Removed:

Athletic Conditioning Certificate (18 hours)

BIO206	Essentials of Human Anatomy and Physiology with Lab	3 hours
HES119	Essential Concepts for Health and Fitness	3 hours
