

Assessment Update

3-18-2020

Types of Assessment

- Academic Programs Assessment
- General Education Assessment

Academic Programs Assessment

- Part of University wide assessment strategy
- Review of annual departmental reports and assessment plans
- Committee reviews and completes evaluations of both
- Results shared with chairs
- Suggest data days to discuss or standing agenda assessment item

General Education Assessment

Previous Approach

- Previously checked faculty artifacts for consistency of grading gen ed work
- Unwieldy work flow
- Inconsistent results
- Very time consuming

New System

- Faculty submit rubrics for gen ed outcomes
- Faculty submit syllabi with gen ed outcomes referenced and tagged to assignment(s)
- Committee evaluates rubrics and syllabi with a rubric on rubrics
- Faculty submit outcome form to chairs within one week of final grades
- Committee considers data in aggregated and disaggregated forms and reports results to FGA
- Departments consider data and make changes accordingly—Data days or standing agenda item
