

**Motion to Modify a Program  
Graduate Academic Curriculum Committee  
Fontbonne University**

**Title of Motion:** Removal of the *Project Management* graduate certificate program from the College of Global Business & Professional studies curriculum

**Date Submitted:** October 8, 2009

**Submitted By:** Steve Rankin, Director of Curriculum & Assessment, College of Global Business & Professional Studies

**Department/College:** College of Global Business & Professional Studies

**It is moved that** the College of Global Business & Professional Studies remove the *Project Management* graduate certificate program from the curriculum.

**Proposed Date of Implementation:** Immediately upon approval

**Rationale/Evidence of Need:** The Higher Learning Commission requires that certificate programs which have more than 50% of their coursework that is not a part of an existing degree program be approved separately by the Higher Learning Commission. This certificate program does not meet the 50% standard. We believe seeking separate accreditation is unnecessary given the fact that students have never enrolled in this certificate program.
