## Motion for Adding, Modifying, or Dropping a Program Undergraduate Curriculum Committee Fontbonne University

Title of Motion: Motion to add a second mathematics class to the special education majo		
Date Submitted: February 21, 2011		
Submitted By: Bill Freeman, Chair of Education/Special Education		
Department/College: Education/Special Education		
Nature of Change:   Add New Program: x Modify Program  Drop Program  Minor  Concentration  Certificate		
It is moved that the Department of Education/Special Education require one additional mathematics course for those majoring in special education.		
Rationale/Evidence of Need. Include how this new program aligns with Fontbonne's mission and strategic plan.		
Currently, majors in special education complete one content course in mathematics and two methods courses. While this satisfies certification requirements, the importance of mathematics instruction is such that more attention needs to be given to this area. Fontbonne's special education program prepares students to teach in regular 1-6 classrooms, therefore the improvement of mathematics skills by our students is imperative		
Strategic Plan Reference: Goal II: We will make academic excellence our priority Sub-goal 4: Strengthen and support existing programs		
Proposed Date of Implementation: FA 11 for students new to Fontbonne		
Projected Enrollment: NA (This will be provided by the mathematics department as the are adding the course to be offered.)		
Financial Impact (describe/list projected amounts): (Provided by math department)  • Faculty  • New Library Holdings  • Equipment  • Audio-visual / software		

Effect on currently enrolled students: None (Students will follow the

catalog in use at matriculation.)

8/2010
